PANSIES, GIANT MIXED

These big, velvety flowers, with faces like smiling children, will delight you next spring. Our plants are raised from seed of the choicest selected strains, insuring giant, ruffled flowers of the finest and purest colors. Use them liberally for massed low beds or for edging paths and borders. No other flower is so lovely for that purpose. Plant them in the fall for spring and summer blooming. They are perfectly hardy. The ground must be made rich with well-decayed manure or commercial fertilizer. Avoid planting them in a dry, exposed place. They delight in partial shade and plenty of moisture. 35 cts. per doz.; $2.50 per 100.

PEONIES

50 cts. each; $4 per doz.

Edulis Superba. Finest early-flowering pink variety, with a jolly, high, fluffy center.
Felix Crousse. The most reliable red Peony for the South. It is a late bloomer and very vigorous.
Festiva Maxima. Gorgeous, big white flowers with occasional crimson flakes on the center petals.
Queen Victoria. Reliable white sort much used for cutting. High bomb-like center. Almost indestructible.
Unnamed Peonies. We offer these in separate colors, **Pink, White,** and **Red,** at 35 cts. each; $3 per doz.
